New York City.

Dear Sir:-

Referring to the two medals of the Irish Setter Club of America which were presented to your society by our president, Dr. Gale, about the middle of last August: ( as a memorial to our highly esteemed former Treasurer, Mr. Delano) It has occurred to some of us that a replica of one with the following additional inscription would be particularly appreciated by Mrs. Delano:-

"This replica presented to Mrs. Delano by  
I.S.C. of A. in appreciation of Mr. Delano's  
untiring devotion to this Club."

As I have no record of how the inscription, which reads as follows:-

"Presented to American Numismatic Society  
by Irish Setter Club of America, in memory of  
Mr. Warren Delano- 1922 -",  
is spaced on your medals: If you could furnish me a rubbing or diagram of the spacing of this inscription on your medals I should greatly appreciate the courtesy.

Very Truly Yours,

*Benjamin A. Howes*  
*Truan*
